GUN OWNERS OF CALIFORNIA CAMPAIGN COMMITTEE ENDORSES RICHARD BARB

Camino, CA – Flanked by majestic pine trees and Rico Oller supporters, Senator H.L. Richardson announced that the influential civil rights political action committee, Gun Owners of California Campaign Committee (GOCCC), is endorsing Richard Barb in El Dorado County’s hotly contested runoff for Supervisor in District III. Barb’s endorsement came during Senator Richardson’s speech to approximately 120 community leaders attending Rico Oller’s fund raising BBQ at High Hill Ranch on Saturday. GOCCC has also endorsed Rico Oller for State Assembly.

“It’s important that we elect leaders who understand our Constitution and the true intentions of our Founding Fathers”, explained Senator Richardson who is also a resident of El Dorado County, “GOCCC has carefully considered this race and is proud to endorse Richard Barb for Supervisor here in El Dorado County”.

“It is critical that we elect leaders like Richard Barb who understand that the amendments added to our Constitution in the Bill of Rights are individual safeguards put there to protect us from overreaching government. We also need to elect more leaders, like Richard Barb, who bring their wholesome family values and concern for freedom and liberty to public office”, said Senator Richardson.

“Richard Barb is a certified Range Safety Officer, family man, 4H Leader, First Lieutenant in the Civil Air Patrol, and licensed contractor with a vision for fixing our business climate and rebuilding our local economy”, concluded Senator Richardson.

Gun Owners of California was founded by Senator Richardson in 1975. Gun Owners of California Campaign Committee is the nation’s oldest political action committee dedicated to the defense of the Second Amendment and the preservation of shooting sports.

The election will be on Tuesday, November 6.
